

Fort Lauderdale Commercial — Neighborhood Systems								
Each submarket as its own system: what it supports, what's trading vs. what it should, and every live/failed listing repriced. Normalized \$/SqFt removes size/age/type; income figures are assumption/comp-based — verify before quoting.

The marine & yachting-services heart of the market — and increasingly a waterfront redevelopment target.

Recent: The Quay (1515 SE 17th) — Related/BH/PEBB bought the ~7-acre waterfront marina/retail site for \$48.5M (2024) and won approval for a 521-unit tower (40% workforce, Live Local). F3 Marina automated drystack completed.

The play: Waterfront/marina redevelopment; dockage value; Live Local density on the water.

A CRA-driven, largely opportunity-zone corridor where public subsidy is catalyzing affordable/workforce and mixed-use redevelopment.

Recent: The Aldridge & The Laramore — ~\$42M, 72-unit mixed-use with retail at 1204 Sistrunk. NPF-CRA plan runs to 2035 with construction/façade incentives.

The play: Low basis vs downtown; land assembly on the OZ + CRA-incentive angle; Flagler Village spillover.

Broward's premier office / CBD address — law, finance and wealth-management tenancy.

Recent: 2025 delivered the two largest office trades in a decade: Las Olas Centre I & II \$208M (~\$442/SF, Bradford Allen) and Bank of America Plaza at 401 E Las Olas ~\$220M (Lone Star/Highline/Square2).

The play: Trophy office, repositioning, ground-floor retail at \$50–75/SF.

A CRA-driven, largely opportunity-zone corridor where public subsidy is catalyzing affordable/workforce and mixed-use redevelopment.

Recent: The Aldridge & The Laramore — ~\$42M, 72-unit mixed-use with retail at 1204 Sistrunk. NPF-CRA plan runs to 2035 with construction/façade incentives.

The play: Low basis vs downtown; land assembly on the OZ + CRA-incentive angle; Flagler Village spillover.
