\$400–675/SF

Office
\$200–575/SF (Class A \$350–575)

Retail / strip center
\$245–415/SF (standalone store ~\$180/SF)

Industrial / warehouse (tilt-up)
\$156–234/SF

Hotel
\$150–250 economy · \$250–400 midscale · \$400–600+/SF luxury

RENOVATION / REHAB

Multifamily — light reno (paint/floors/fixtures)
\$15,000–25,000/unit

Multifamily — moderate (kitchen/bath/appliances)
\$25,000–45,000/unit

Multifamily — heavy / gut (systems)
\$45,000–65,000+/unit

Office tenant improvement (Miami)
~\$122/SF (Class A \$135–150 · Class B \$90–120)

Retail tenant improvement
\$40–300/SF (restaurant \$200–500/SF)

FLORIDA COST ADDERS

Soft costs
15–30% of hard costs

HVHZ hurricane-code premium (Broward/Miami-Dade)
+10–15% of construction cost

Builders-risk insurance (during build)
1–5% of value; coastal within ~1 mi 2–3×

Impact fees (Miami-Dade example)
~\$7,500/MF unit · ~\$13/SF commercial

Cost escalation (2025)
~+4–5.5%/yr (Turner index; RLB Miami +4.7–5.5% YoY)

LAND BASIS

Commercial land (small infill)
~\$944/SF (avg parcel ~6,700 SF); ~\$4.04M/acre

Downtown per-buildable-unit land
~\$82,000/unit (200 W Broward, 381 units, 2024)

Near-downtown per-unit land
~\$38,000/unit (2125 S Andrews 'The Era', 400 units, 2024)

Flagler Village per-unit land
~\$43,650/unit (Advantis assemblage, 252 units)

Waterfront luxury per-unit land
~\$420,000/unit (900 Intracoastal 'Sage', 44 units, 2024)

Flagler Village land \$/SF
\$126–267/land SF (2024 comps)

Stabilized MF (residual-land context)
2025 YTD \$359,437/unit @ \$268/SF, ~\$2,760/unit rent, 91.7% occ

WATERFRONT & DOCKAGE

Waterfront premium
direct/unobstructed water access sells ~30–50% above comparable dry-lot

Waterfront land
~\$4.84M/acre vs ~\$4.04M/acre general commercial

Deep-water value driver
6 ft+ at mean low tide (8–12 ft for large vessels), NO fixed bridges, point lots = top value

Pricing convention
per linear foot of frontage, adjusted for depth, bridge clearance, seawall/dock

Seawall cost
~\$500–1,000/linear foot

Marina slip rental
~\$25/ft/month

Marina land comp
Lauderdale Marine Center (~60 ac) \$340M in 2021 ≈ \$5.67M/acre

INSURANCE

MF insurance (Fort Lauderdale)
~\$1,430/unit/yr (+53% YoY, 2024)

FL MF trend
~\$800 → ~\$2,000/unit over two years (+150%)

Per SqFt
\$0.50–3.00/SF/yr (condo towers ~\$0.23–0.26/SF/month)

Effect on value
insurance ~7% of opex but ~17% of expense growth since 2019 → compresses NOI, expands caps; FL values –6.8%

Flood (NFIP)
avg ~\$938/yr; Zone AE \$300–500K property ~\$1,500–3,500/yr; VE = coastal high-hazard; Broward maps updated Jul 2024

INCENTIVES

Opportunity Zones

Broward 30 tracts / Fort Lauderdale 10 — prime: Flagler Village, 13th St/Progresso, Sistrunk

NPF-CRA

Northwest–Progresso–Flagler Heights
CRA grant/incentive programs; plan amended 2025

Live Local Act (SB 102)

by-right MF on commercial/industrial if $\geq 40\%$ units $\leq 120\%$ AMI; density = highest in jurisdiction, height = highest within 1 mi; 75–100% property-tax exemption on affordable units

NEIGHBORHOOD PLAYBOOK — WHAT TO SAY ABOUT EACH AREA

AREA 3600 · SE 17TH ST · FEDERAL HWY → 17TH STREET CAUSEWAY / HARBOR BEACH / SE HIGH

The marine & yachting-services heart of the market — and increasingly a waterfront redevelopment target.

Recent: The Quay (1515 SE 17th) — Related/BH/PEBB bought the ~7-acre waterfront marina/retail site for \$48.5M (2024) and won approval for a 521-unit tower (40% workforce, Live Local). F3 Marina automated drystack completed.

The play: Waterfront/marina redevelopment; dockage value; Live Local density on the water.

AREA 3810 · BROWARD BLVD → SISTRUNK / PROGRESSO / NORTHWEST MED

A CRA-driven, largely opportunity-zone corridor where public subsidy is catalyzing affordable/workforce and mixed-use redevelopment.

Recent: The Aldridge & The Laramore — ~\$42M, 72-unit mixed-use with retail at 1204 Sistrunk. NPF-CRA plan runs to 2035 with construction/façade incentives.

The play: Low basis vs downtown; land assembly on the OZ + CRA-incentive angle; Flagler Village spillover.

AREA 3380 · WILTON DR · FEDERAL HWY → WILTON MANORS HIGH

A walkable, affluent arts-and-entertainment node (Wilton Drive) drawing its first mid-rise projects.

Recent: Stiles bought the Shoppes of Wilton Manors (78,600 SF) for \$27.6M (Dec 2024), pursuing an 82-unit rezoning; Kaplan's Generation proposes ~190 units.

The play: Retail redevelopment; constrained supply; strong restaurant/retail demand.

AREA 3370 · DIXIE HWY · OAKLAND PARK BLVD → OAKLAND PARK HIGH

One of Broward's fastest-emerging urban-infill submarkets, led by public placemaking.

Recent: Culinary Arts District (NE 12th Ave) restaurant/distillery corridor; new City Hall mixed-use (2025); 6-acre Horizon redevelopment of the old City Hall site.

The play: Infill mixed-use, older-industrial repositioning; CRA incentives; attractive basis.

AREA 3500 · ANDREWS AVE → DOWNTOWN / FLAGLER VILLAGE HIGH

The region's most active development submarket — a former warehouse district now dense with high-rise multifamily, creative office and ground-floor retail.

Recent: FAT Village — Hines/Urban Street ~\$500M, ~600 units + the region's first mass-timber office, topping off 2025, delivery mid-2026. Gallery at Flagler Village (263 units) queued. Class A office asking low-\$40s/SF.

The play: Development & land assembly; Live Local density bonuses; office repositioning.

AREA 3800 · ANDREWS AVE · SE 17TH ST → DOWNTOWN / FLAGLER VILLAGE **HIGH**

The region's most active development submarket — a former warehouse district now dense with high-rise multifamily, creative office and ground-floor retail.

Recent: FAT Village — Hines/Urban Street ~\$500M, ~600 units + the region's first mass-timber office, topping off 2025, delivery mid-2026. Gallery at Flagler Village (263 units) queued. Class A office asking low-\$40s/SF.

The play: Development & land assembly; Live Local density bonuses; office repositioning.

AREA 3470 · DAVIE BLVD · LAS OLAS BLVD → LAS OLAS **HIGH**

Broward's premier office / CBD address — law, finance and wealth-management tenancy.

Recent: 2025 delivered the two largest office trades in a decade: Las Olas Centre I & II \$208M (~\$442/SF, Bradford Allen) and Bank of America Plaza at 401 E Las Olas ~\$220M (Lone Star/Highline/Square2).

The play: Trophy office, repositioning, ground-floor retail at \$50–75/SF.

AREA 3460 · SUNRISE BLVD → SISTRUNK / PROGRESSO / NORTHWEST **MED**

A CRA-driven, largely opportunity-zone corridor where public subsidy is catalyzing affordable/workforce and mixed-use redevelopment.

Recent: The Aldridge & The Laramore — ~\$42M, 72-unit mixed-use with retail at 1204 Sistrunk. NPF-CRA plan runs to 2035 with construction/façade incentives.

The play: Low basis vs downtown; land assembly on the OZ + CRA-incentive angle; Flagler Village spillover.

AREA 3160 · OCEAN BLVD · SE 17TH ST → FORT LAUDERDALE BEACH **MED**

The barrier-island beach market — hospitality, beachfront retail and boutique commercial/condo, where waterfront and ocean views drive a clear premium.

Recent: Hotel product trades ~\$274K/key with a beachfront ADR premium; retail/mixed commercial along the A1A / Ocean Blvd corridor.

The play: Hospitality & beachfront retail; premium land; tourism demand.
